

The Met's Window Display Guidelines

Window Displays - East & West Windows on Sprague Avenue

Monday through Friday

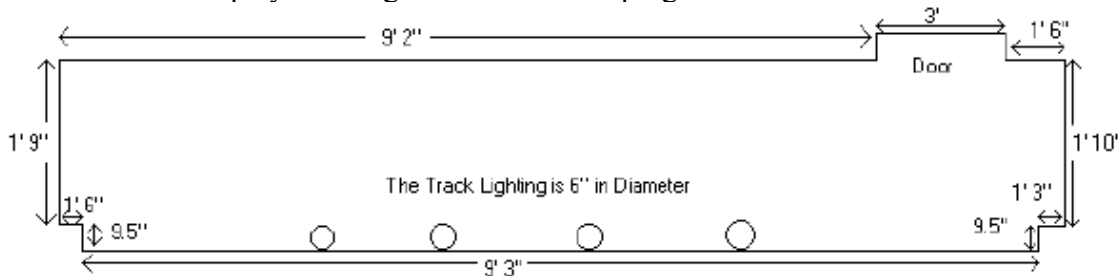

Setup - 12:00 PM – 2:00 PM

Takedown - 10:00 AM – 12:00 PM, or during your event

We have two window displays on Sprague Avenue, courtesy of The Met to promote your Event. Please note - only two window displays are available, so every event can not be guaranteed a window display. Scheduling of window displays is based on a "first come, first serve" basis. The West Window is approximately 6 ft. high, 9 ft. across, and 3 ft. deep. The East Window is approximately 6 ft. high, 9 ft. across and 2 ft. deep. Please contact Michael Smith at 509-227-7404 or Michael@mettheater.com to schedule your display. Set-up times are from 12:00 PM - 2:00 PM - Monday through Friday. Takedown 10:00 AM – 12:00 PM, or during your event. **Please, do not take down other Presenter's window display unless given authorization from The Met.**

Please call to confirm date and time before setting up or taking down. Some days we can provide a meter bag to help with parking. Use your imagination! As long as you don't put holes in the walls or use a glue gun, you can be as creative as you like. Depending on the number of events we have for the month, window displays may be up for a week or longer. Don't forget to place posters inside of window display so patrons know what your event is. If you have any questions, please call Michael Smith at 509-227-7404.

West Window Display - Facing North on West Sprague Avenue
